1. Introduction

Millions of people have been deceived into believing that the Bible is perfect and without error. These people have never properly studied the Bible, they just cherry pick some verses which they have been told have good teachings.

A closer examination of the knowledge in the Bible reveals that it comes from uneducated humans and not any divine being.

Denying evidence and accepting claims without proof and verification is blind faith. This results in becoming corrupt and spreading false knowledge.

Knowing and accepting the truth is very important, because the true God wants everyone to be truthful, for He is the absolute truth.

2. Have the Earth, Universe, and Humans existed for 6,000 years?

Above is the creation story from the Bible.

The Christians claim the Bible is the inspired word of God, but the very first page of the Bible has a colossal error. The timing of the creation of the universe is completely incorrect based on modern science. And the Bible theory that the humans of today originate from one couple, Adam and Eve, is completely incorrect based on genetic science. The creation sequence is also incorrect.

By adding up the ages provided in Genesis 1, 5, and 11, it becomes apparent that based on the Bible. The universe and the earth planet were created about 6,000 years ago.

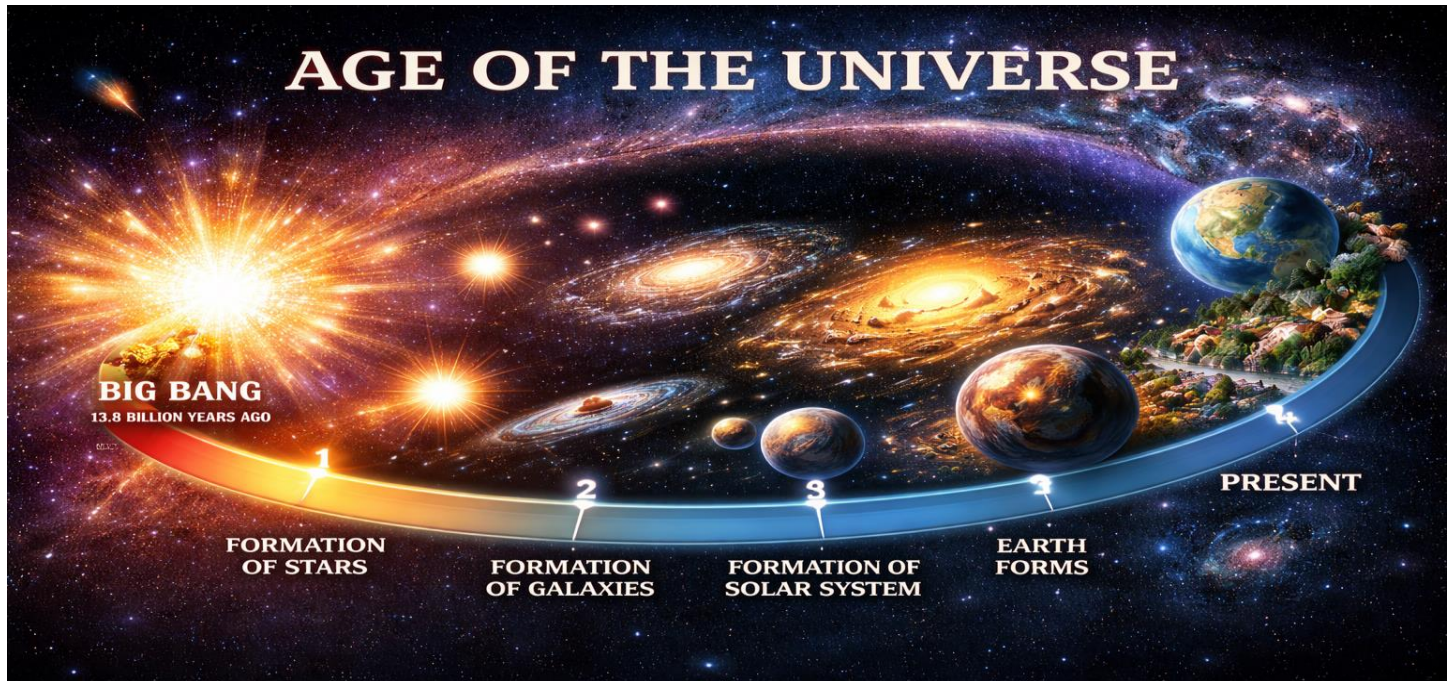

“And Adam was first formed, then Eve.” (Timothy I, 2:13)

Based on the Bible, all the humans in the world descend from one couple, Adam and Eve. Based on genetic science, it’s impossible for the population of humans in the world to originate from one couple.

“And God said, let there be light: and there was light.” (Genesis 1:3)

Based on the Bible, there was no light before 6,000 years ago. Thus, no Sun.

Scientific Facts

The above is based on modern science and it shows that the Abrahamic religions theory of the universe being created 6,000 years ago is 100% false based on various sciences.

Based on modern science:

- a. The universe is at least 13.8 billion years old.
- b. There are billions of planets within our universe and earth planet is at least 4 billion years old.
- c. Some scientists now believe that there are many universes beyond ours, multiverse.
- d. Genetic science has proven that it is impossible for the population of humans in the world today to originate from one couple.
- e. Archeological and geological evidence has shown that human beings have existed for millions of years and not just 6,000 years.

The above shows that the Abrahamic religions theory of humans existing for 6,000 years is 100% false based on bones and fossils.

The above shows that the Abrahamic religions theory of human population of the world originating from one couple is 100% false based on genetic science.

3. The Abrahamic Religions Creation Story

The very first page of the Bible, opens with the book of Genesis, which is embraced by Judaism, Christianity, and Islam. This has the creation narration, and this is full of errors.

Scientific Facts on the Cosmology of the Cosmos

Fact 1:

- **Biblical creation sequence:** The Earth and universe are created on day 1, while the sky, land, and seas are created afterward.
- **Logical issue:** The Earth and universe would already include the sky, land, and seas.
- **The Abrahamic God got the creation sequence wrong.**

Fact 2:

- **Biblical creation sequence:** Light is created on day 1, while the sun and stars are created on day 4.
- **This is impossible.** It's the sun and stars (they are suns) are what provide light in the universe.
- **The Abrahamic God got the creation sequence wrong.**

Fact 3:

- **Based on the Bible,** vegetation appears on day 3, but the sun is created on day 4.
- **This is impossible,** because plants need sunlight for photosynthesis to make glucose and stay alive.
- **This suggests the Abrahamic God does not have plant biology knowledge.**

Fact 4:

- **Based on the Bible (Genesis 1:14-18).** There is only one Universe, one Earth planet, one Sun, and one Moon.
- **In just one universe there are billions of planets and billions of moons.**
- **There are many universes (multiverse).**
- **The stars are Sun planets and there are billions of Suns in the cosmos.**

Fact 5:

- **Based on the Bible (Genesis 1:14-18).** The Sun, Moon, and the Stars are roughly equal distance from the Earth surface, because they are within the dome.
- **The Sun, Moon, and Stars are not equal distance from the Earth.**
- **The Moon is 238,854 miles from the Earth surface.**
- **The Sun is 149.60 million miles from the Earth.**
- **There are billions of Stars (Sun planets) which are billions of miles from the Earth.**

Fact 6:

- **Based on the Bible (Genesis 1:6-8, Psalm 136:6).** The Earth is in a dome with water above and below it.
- **The Earth is floating in space. It is not in an ocean with water below and above.**

Fact 7:

- **Based on the Bible (1 Chronicles 16:30, Psalm 93:1, 104:5, 96:10).** The Earth is fixed and does not move.
- **Not only does the Earth move (spin on its axis). It also rotates around the Sun.**

Fact 8:

- **Based on the Bible (Isaiah 40:22, Matthew 4:8, Daniel 4:10-11, Zechariah 9:10, Revelation 7:1). The Earth is a flat circle.**
- **The Earth is spherical (round from all sides) and not flat.**
- **One can get on a plane and see the proof.**

Fact 9:

- **Based on the Bible, God rested on day 7 after creating one planet (Earth), one moon, some stars, and the sky (heavens).**
- **In the cosmos there are billions of planets, billions of moons, billions of stars (suns), and many universes (multiverse).**
- **Therefore, a being who needs rest could not have created anything in the cosmos.**

Modern science depiction of the vast cosmos showing the multiverse filled with billions of planets, suns, moons, and stars.

4. Cosmology Knowledge on Earth and Universe based on the Bible

Bible depiction of Earth and Universe – The Earth is a flat circle in a dome with water above and below.

Based on the Bible:

- a. The Earth is a flat circle. (Isaiah 40:22, Matthew 4:8, Daniel 4:10-11, Zechariah 9:10, and Revelation 7:1.)**
- b. The sky is a canopy or dome above the Earth. (Genesis 1:6-8, Psalm 136:6)**
- c. The dome contains the Earth Sun, Moon, and Stars. (Genesis 1:14-18)**
- d. There is only one Earth, one Sun, and one Moon. (Genesis 1:14-18)**
- e. The Sun, Moon, and the Stars are roughly equal distance from the Earth surface, because they are within the dome. (Genesis 1:14-18)**
- f. There is water below, within, and above the Earth. (Genesis 1:6-8, Psalm 136:6)**
- g. The Earth is fixed and does not move. (1 Chronicles 16:30, Psalm 93:1, 104:5, and 96:10)**

Bible Verse	Explanation of Bible Verse
<p>"Again, the devil took him [Jesus] to a very high mountain and showed him all the kingdoms of the world and their splendor." (Matthew 4:8)</p>	<p>If all kingdoms of the world can be seen from a high mountain, then the Earth must be flat.</p>
<p>"I saw a tree in the midst of the earth, and the height thereof was great. The tree grew, and the height thereof reached unto heaven, and the sight thereof to the end of all the earth." (Daniel 4:10-11)</p> <p>"And from the River to the ends of the earth..." (Zechariah 9:10)</p>	<p>The Earth has an 'end' which means the Earth is flat. It's not possible to see the end of the Earth from one point unless it is flat.</p>
<p>"I saw four angels standing on the four corners of the earth." (Revelation 7:1)</p>	<p>If there are corners, then the Earth is flat.</p>

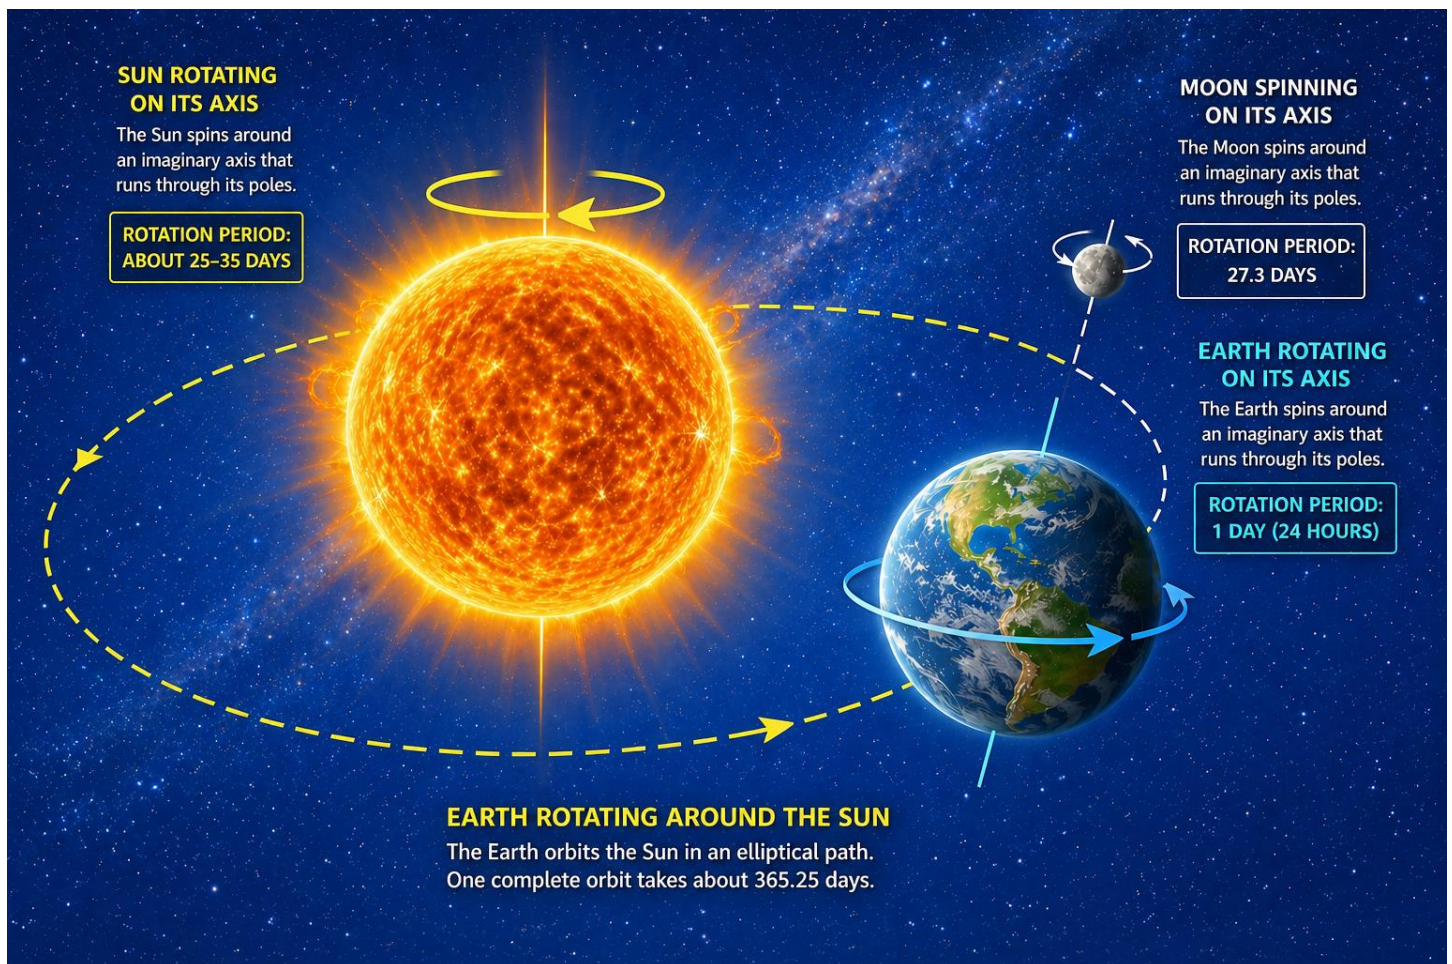

<p>“To Him who laid out the earth above the waters...” (Psalm 136.6)</p>	<p>The Earth floats on water.</p>
<p>“God sits above the circle of the earth...” (Isaiah 40.22)</p>	<p>The Earth is a flat circle.</p>
<p>“And God said, ‘Let there be a dome in the midst of the waters, and let it separate the waters from the waters.’ So God made the dome and separated the waters that were under the dome from the waters that were above the dome. And it was so. God called the dome Sky. And there was evening and there was morning, the second day.” (Genesis 1:6-8)</p>	<p>There is a dome above the Earth which is covered with water above and below.</p>
<p>“And God said, ‘Let there be lights in the dome of the sky to separate the day from the night; and let them be for signs and for seasons and for days and years, and let them be lights in the dome of the sky to give light upon the earth.’ And it was so. God made the two great lights—the greater light to rule the day and the lesser light to rule the night—and the stars. God set them in the dome of the sky to give light upon the earth, to rule over the day and over the night, and to separate the light from the darkness. And God saw that it was good.” (Genesis 1:14-18)</p>	<p>The Sun, Moon, and Stars are within the dome.</p> <p>The greater light is the Sun and the lesser light is the Moon (see the Living Bible and other translations).</p>
<p>“The earth is set firmly in place and cannot be moved.” (1 Chronicles 16:30)</p> <p>“The earth is set firmly in place and cannot be moved.” (Psalm 93:1)</p> <p>“You have set the earth firmly on its foundations, and it will never be moved.” (Psalm 104:5)</p> <p>“The world also is firmly established, It shall not be moved...” (Psalm 96:10)</p>	<p>Earth does not move, it’s fixed.</p>

5. The Sun and Moon stood still for 24 hours?

“As the men of Israel were pursuing and harassing the foe, Joshua prayed aloud, ‘Let the sun stand still over Gibeon, and let the moon stand in its place over the valley of Aijalon!’

And the sun and the moon didn’t move until the Israeli army had finished the destruction of its enemies! This is described in greater detail in The Book of Jashar. So the sun stopped in the heavens and stayed there for almost twenty-four hours! There had never been such a day before, and there has never been another since, when the Lord stopped the sun and moon—all because of the prayer of one man. But the Lord was fighting for Israel.” (Joshua 10:12-14)

Scientific Facts

Depiction of the Sun and Earth, based on modern science.

The Sun spins on its axis, the Earth spins on its axis, and the Earth is rotating around the Sun. The day and night on Earth are due to the Earth spinning on its axis. The Earth side that is facing the Sun will have daytime, and the other side

will have nighttime. The Moon spins on its axis, but the light on the moon is from the Sun; it does not produce its own light.

The complier of the Bible verse does not have the above factual science knowledge. The complier of the Bible was thinking that if the Sun stands still, there will be longer daytime on Earth (longer day light to finish the enemy). But this is false, because the Sun is equally hot on all sides and so if the Sun stands still, this will not affect the daytime and nighttime on Earth. The day and night on Earth are due to the position of the spinning Earth. The Bible God should have said the Earth stood still, then the day

The Moon standing still does not affect the daytime on Earth, which is due to the position of the Sun and Earth.

6. Are Day and Night due to two lights?

“And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.” (Genesis 1:16)

Anyone with some basic science knowledge knows that the light in the universe is constant and the day and night on planet earth is due to the position of the earth relative to the sun. The earth spins on its axis once every 24 hours. The part of the earth which is facing the sun will have full light (day) and the other side of the earth will be in darkness (night). So, there aren't two lights, just one light (the sun). The moon gets its light from the sun too. This complier of the Bible is ignorant men and not an omniscient divine being.

7. Does the Sun rise and set?

"The sun rises and the sun sets, and hurries back to where it rises." (Ecclesiastes 1:5)

Scientific Facts

The Sun does not rise, nor does it set.

The Earth is spinning on its own axis and rotating around the Sun. Due to the positioning of the Earth relative to the Sun, there is day and night in different parts of the world. It takes 365 days for the Earth to go around the Sun once and it takes 24 hours for the Earth to spin once on its axis.

8. Where was God before the creation of Universe?

"In the beginning God created the heaven and the earth" (Genesis 1:1)

"This is what the LORD says: "Heaven is my throne, and the earth is my footstool. Where is the house you will build for me? Where will my resting place be?" (Isaiah 66:1)

In the above two verses, the Bible God is saying his residence is the universe, his stool to rest his foot is the earth. And he created the universe and earth 6,000 years ago. This basically means the Bible God was homeless before 6,000 years ago.

9. Stars can fall onto Earth

Jesus said the stars will fall to the ground on Earth.

"The stars will fall from heaven..." (Matthew 24:29)

"The stars of heaven will fall..." (Mark 13:25)

"And the stars of heaven fell to the earth, as a fig tree drops its late figs when it is shaken by a mighty wind." (Revelation 6:13)

Scientific Facts

The stars are like the Sun, and they are thousands of times bigger than the Earth planet. It's impossible for a star to fall on Earth. If a star came within a few million miles of the Earth planet, the Earth would be completely destroyed due to the intense heat from the star.

10. Should God know what His creatures eat?

“The rabbit, though it chews the cud, does not have a divided hoof; it is unclean for you.” (Leviticus 11:6 NIV)

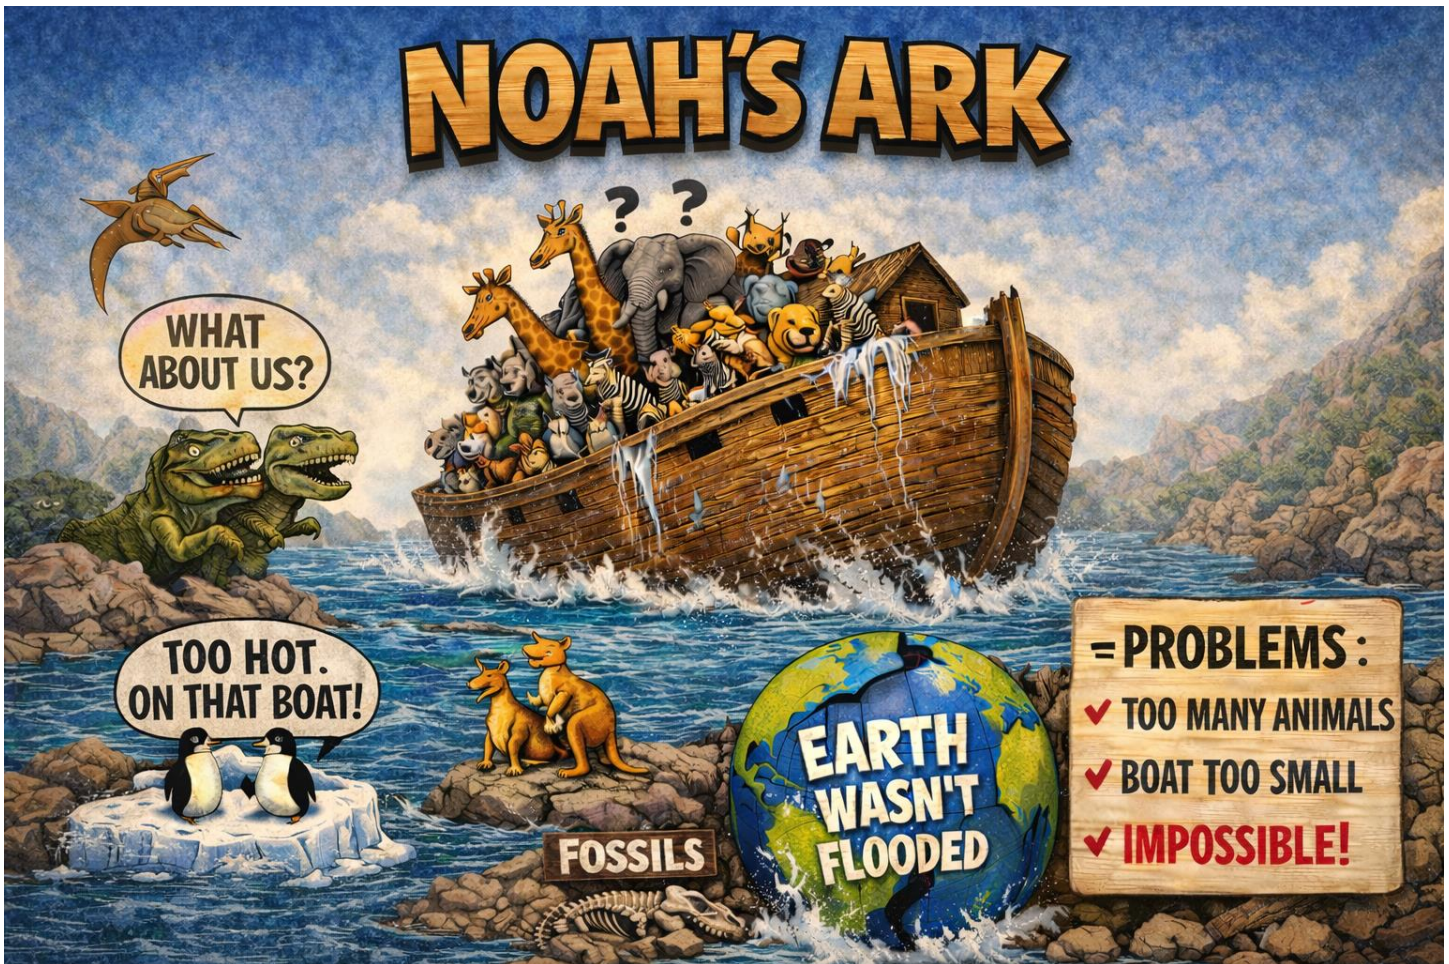

Rabbits do not chew their cud (bring up previously swallowed food to chew).

“So the Lord God said to the serpent: Because you have done this, you are cursed more than any livestock and more than any wild animal. You will move on your belly and eat dust all the days of your life.” (Genesis 3:14)

“And dust *shall be* the serpent’s food...” (Isaiah 65:25)

Snakes never eat dirt.

11. Noah's Ark

Based on Genesis 6 and 7, there was a flood around 4,348 years ago, which covered the whole world.

1. Man was wicked and so the Bible God decided to flood the earth and except for those on Noah's boat, all others would be killed. Thus, millions of men, women, animals, and plants would be killed (Genesis 6:5-13).

Why would God want to flood the whole Earth and kill trillions of animals and plants for the sins of a few men?

2. Noah was asked to build a boat that would accommodate his family and a pair of each species of animals. The boat was to be 300 cubits in length, 50 cubits in breadth, and height of 30 cubits (Genesis 6:15,18-20).

1 cubit=1.5 feet

Based on scientists, there are 7.77 million species of animals. It's impossible to fit a pair of each species of animal on a boat of the above size.

The Bible does not mention anything about saving the plants which based on the scientists' number 390,000 species. If the whole world is flooded, then all plant species will die.

3. Noah was asked to take enough food on the boat to last at least 150 days for his family and all animals (Genesis 6:21, 7:24).

It is impossible to fit enough food on a boat of the above size to last 150 days for all the pair of species of animals. For example, a single elephant needs an average of 150 kg of food and 40 liters of water a day. For 150 days this would be 22,500 kg of food for just one elephant. What about the dinosaurs? They need tons of meat daily. Noah's Ark was not even big enough to fit just one pair of dinosaur species with enough food and water to last 150 days. Not even big enough to accommodate a few species of cattle.

The ocean water is salty and thus not drinkable. Noah's boat would need to store billions of gallons of fresh water to last 150 days for all the 7.77 million species of animals. This is impossible for Noah's boat due to its small size.

4. Even if we assume that all the species of animals fit onto Noah's Ark with food and water to last 150 days. Once the water receded, and all the animals were released. There would be no food for the animals and within a few days they would all die. It would take many months for plants to grow and thus the herbivore animals would have no food for many months. And for the carnivore animals, it would take many years for the animals in their food chain to develop to a sufficient size suitable for feeding on.

5. It's impossible for the polar bears and other animals living in cold regions of the world to travel to and back from Noah's Ark.

Conclusion

Noah's Ark story at best is just a fairy tale suitable for amusing infant children. It's not a factual event.

12. Is epilepsy caused by Demons?

“Lord, have mercy on my son, for he is an epileptic and suffers severely; for he often falls into the fire and often into the water. 16 So I brought him to Your disciples, but they could not cure him. Then Jesus answered and said, “O faithless and perverse generation, how long shall I be with you? How long shall I bear with you? Bring him here to Me.” And Jesus rebuked the demon, and it came out of him; and the child was cured from that very hour.” (Matthew 17:15-18)

Scientific Facts

Epilepsy is a neurological condition (brain based) that causes recurrent seizures due to abnormal electrical activity in the brain. It is not caused by demons. Anti-seizure medications are available to help patients become seizure free. Jesus is not needed.

13. Mustard seed is the smallest seed?

Jesus said the mustard seed is the smallest of all seeds.

“The kingdom of heaven is like a mustard seed that a man took and sowed in his field. It is the smallest of all the seeds...” (Matthew 13:31-32)

“It is like a mustard seed that when sown in the ground, even though it is the smallest of all the seeds in the ground.” (Mark 4:31)

Scientific Facts

The mustard seed is 1-2 mm in length and it's not the smallest seed. The smallest seed is the epiphytic orchid seed which is 0.05-0.1 mm in length.
